

INDIANA**TECH**

Let Indiana Tech help you take your associate degree to another level.

We make it easy to build upon your Ivy Tech associate degree to earn a bachelor's degree. Find out exactly which classes you need to take on the back of this information sheet.

Indiana Tech will help you financially as well. If you graduated from Ivy Tech after 2010 and have a minimum cumulative GPA of 2.5, you are eligible for the Ivy Tech Merit Scholarship, which will result in a 20 percent reduction in tuition.

Associate of Science in Accounting

TO ACHIEVE THIS -----

Bachelor of Science in Accounting

Program Overview

The bachelor's degree in accounting is a rigorous yet engaging curriculum led by Certified Public Accountants (CPAs) with both public- and private-sector experience who stay up to date on the latest policies and regulations. For those who love numbers, this is a welcome challenge. Indiana Tech's accounting program will refine your problem-solving skills and develop your understanding of the ethical and professional standards of modern accounting.

Accountants have a demanding job—they must be able to dig into complicated financial statements, create strategies for fiscal strength, and meet clients to earn their trust. Indiana Tech builds a strong foundation in each of these areas. Instructors with real-world relationships can provide hands-on learning opportunities and supplement classroom learning with one-on-one interactions with students.

Graduates with a bachelor's degree in accounting will find success in positions such as:

- Financial accountant
- Auditor
- Tax accountant
- Not-for-profit accountant
- Governmental accountant
- Corporate accountant
- Managerial accountant
- Small business accountant

Graduates also have the opportunity to pursue an Indiana Tech MBA with an accounting concentration, which will prepare them to sit for the CPA exam. Qualified students may get a head start on the MBA through our 4+1 MBA program.

TRANSFER CREDITS

THESE IVY TECH COURSES			FULFILL	THESE INDIANA TECH REQUIREMENTS		
Associate of Science Degree in Accounting				Bachelor of Science Degree in Accounting		
Written Communication						
ENGL 111	English Composition	3	ENG 1252	Argumentative Writing		3
