Associate of Science in Health Care Administration

TO ACHIEVE THIS -----

Bachelor of Science Business Administration - Health Care Administration

Program Overview

Earning an associate degree in the business administration program at Ivy Tech Community College gives you an excellent start toward a bachelor's degree at Indiana Tech. Through a partnership between the two institutions, you can progress smoothly from one program to the next.

The Ivy Tech associate degree will prepare you for entry-level jobs and help you start a career in the thriving health care industry. The bachelor's degree program at Indiana Tech allows you to build on your Ivy Tech associate degree with more advanced study of health care administration. Almost all of your courses will be accepted for transfer credit and fulfill requirements toward a bachelor's degree in business administration with a concentration in health care administration.

As a graduate of the bachelor's degree program you will be prepared to be a manager within the health care industry. You also will be prepared to pursue an MBA with a health care management concentration to expand your career opportunities even further.
