

INDIANA**TECH**

Let Indiana Tech help you take your associate degree to another level.

We make it easy to build upon your Ivy Tech associate degree to earn a bachelor's degree. Find out exactly which classes you need to take on the back of this information sheet.

Indiana Tech will help you financially as well. If you graduated from Ivy Tech after 2010 and have a minimum cumulative GPA of 2.5, you are eligible for the Ivy Tech Merit Scholarship, which will result in a 20 percent reduction in tuition.

USE THIS -----

Associate of Science in Human Services

TO ACHIEVE THIS -----

Bachelor of Science in Human Services

Program Overview

A degree in human services is ideal for students who would like to make a career out of helping others. Graduates in the human services field reach out to individuals, families, and communities.

The course work includes topics such as understanding diversity, aging, helping relationships, field experience and an internship, first aid in fitness settings, human growth and development, nonprofit management, social problems, community and social movements.

The human services degree provides you with the skills to work in a variety of public outreach organizations and relate to clients on multiple levels. Graduates work in a variety of fields such as nursing, psychiatry, psychology, rehabilitative or physical therapy and social work.

Sample careers include:

- Case Management
- Community Corrections
- Counseling
- Social Services
- Victim's Advocacy
- Volunteer Coordination
