

Take your education and military experience to the next level.

We can help.

Indiana Tech and METC (Medical Education & Training Campus) are working together to make taking the next step in your educational journey faster and more affordable.

Military service members can transfer as many as 42 METC credits from select programs seamlessly into an online associate or bachelor's degree at Indiana Tech. In addition, all active duty, reserve, guard, and veterans and their spouses are eligible for Indiana Tech's Military Scholarship, as well as civilian Department of Defense and Department of Veterans Affairs employees.

METC Behavioral Health Technician

TO ACHIEVE THIS -----

Bachelor of Science in Psychology

Program Overview

Are you fascinated by human behavior and how people think? Do you have a passion to help others improve their mental functioning and quality of life? Do you want to obtain skill sets that will apply to a variety of work settings? If these things resonate with you, consider pursuing a degree in psychology from Indiana Tech. Our well-rounded psychology curriculum will give you a solid foundation on which to build a practitioner-oriented career. Not only will you learn about human behavior and how people think, you will also study and apply the scientific method and gain analytical skills for practical application in fields like business, marketing, criminal justice and mental health.

Why choose Indiana Tech:

- Online classes begin every six weeks at Indiana Tech. Take one class at a time and make rapid progress toward program completion.
- Personalized support from start to finish, including assistance with degree audits and coordinating military educational benefits.
- No extra fees for books—textbook rental is included in tuition and books are shipped directly to you.
- Unlimited Yellow Ribbon tuition waivers for eligible students
- Additional college credit may be granted through the evaluation of Military School Partnerships including CCAF and JST, further reducing the number of credit hours to complete a degree.
