

Take your education  
and military experience  
to the next level.  
We can help.

Indiana Tech and METC (Medical Education & Training Campus) are working together to make taking the next step in your educational journey faster and more affordable.

Military service members can transfer as many as 42 METC credits from select programs seamlessly into an online associate or bachelor's degree at Indiana Tech. In addition, all active duty, reserve, guard, and veterans and their spouses are eligible for Indiana Tech's Military Scholarship, as well as civilian Department of Defense and Department of Veterans Affairs employees.

## METC Medical Logistics

TO ACHIEVE THIS

## Bachelor of Science in Supply Chain Management

### Program Overview

A Bachelor of Science in Supply Chain Management from Indiana Tech provides students with a background for the design and management of supply chains including qualitative and quantitative modeling of supply chain systems. The program focuses on the development of technical and analytical skills, leadership and communication proficiency.

Students will learn to identify and solve complex supply chain problems and demonstrate heightened levels of proficiency in the investigation of complex problems grounded in mathematics, computer science, business, decision science and engineering. In addition, students will learn techniques used to formulate solutions that meet specified needs with regard to public health, safety and welfare, as well as global, cultural, social, environmental and economic considerations.

Why choose Indiana Tech:

- Online classes begin every six weeks at Indiana Tech. Take one class at a time and make rapid progress toward program completion.
- Personalized support from start to finish, including assistance with degree audits and coordinating military educational benefits.
- No extra fees for books—textbook rental is included in tuition and books are shipped directly to you.
- Unlimited Yellow Ribbon tuition waivers for eligible students
- Additional college credit may be granted through the evaluation of Military School Partnerships including CCAF and JST, further reducing the number of credit hours to complete a degree.

## TRANSFER CREDITS

THESE METC COURSES		FULFILL	THESE INDIANA TECH REQUIREMENTS
